E-Safety during the Coronavirus Outbreak WTD

Keeping Children and Staff Safe Online

- In order to support the progress of all our students remotely during this time, work will be mainly set online through Google classrooms.

- Staff from school may contact students via e-mail to provide support. These e-mails will be professional and the expectation is that students respond in a professional manner.

- Below are some useful websites where you can find support and guidance to help ensure that your child is safe working online.

Recommended Support

- Recommended resources from the DfE for parents:

Inappropriate online use

- Along with the opportunity online learning provides there is also the potential for more risk. If you have a concern about your child's online, use the links below to find guidance and support on how to report this.

- You can also communicate any online concerns with the staff member who is in regular contact with you via e-mail and also verbally when you speak to them during your wellbeing call.

- You can also report any inappropriate online behaviour that puts your child at risk to the DSL leads, Mr Sanderson or Miss Wilson by e-mailing info@dixosca.com.

- Where peer-on-peer abuse between students may occur over the internet (through whatever channel), this may result in suspension / termination of access to systems until the incident has been investigated and dealt with.

- Where abuse of staff from students may occur online, this may result in suspension / termination of access to systems until the incident has been investigated and dealt with.

Recommended Apps/Resources/Websites

- School will only promote known and trusted educational platform/s.
- If staff want to use a new learning platform they must seek permission from the Principal before doing so.
- The Principal should seek advice re. the safety and security of using any on-line platforms from Ryan Dolan before going ahead with its use.

Students Who Are Not Engaging

- Where students are not engaging with on-line work and staff are unable to make contact with the family, a welfare home visit will be organised.

As with all safeguarding matters, no single concern is too small.

Please be vigilant when your child is working online and report anything that puts them and others at risk.

Thank you for helping us to work together as a school community to protect all our children during this time.
