March 2026

Dear families

Culture Day – Monday 23 March 2026

We are delighted to announce that Dixons City Academy will be hosting a whole-school Culture Day on Monday 23 March 2026. This day will celebrate the rich variety of cultures that make up our vibrant school community.

On this special day, students will have the opportunity to come to school dressed in attire that represents their cultural heritage. It is a chance to showcase the diversity within our academy and to celebrate our differences with pride and respect.

We will launch Culture Day in Morning Meetings, sharing information and ideas to inspire students to embrace and appreciate the many cultures represented at Dixons City Academy.

We encourage students to express themselves through their chosen attire, whilst ensuring that clothing and footwear are appropriate for a full day at school. Outfits must not hinder participation in lessons or safe movement around the academy. As a reminder, flags should not be brought into school or worn as items of clothing, as they represent countries rather than cultures.

As part of our ongoing commitment to supporting the local community, we are asking students to bring a non-perishable food donation for the Bradford Central Foodbank. Donations should be brought in on the morning of Culture Day and left at the front of students' Morning Meeting areas. Suggested food items include:

- tinned goods (soup, vegetables, beans, meat, fruit)
- dried pasta or rice
- long-life milk or juice
- cereal
- cooking sauces
- tea bags or instant coffee

We kindly ask that all donations are unopened and in date.

Culture Day promises to be an exciting and joyful occasion for all. Our aim is for every student to feel a sense of pride in their own culture while also gaining a greater appreciation for the cultures within our community.

Thank you for your continued support in helping us make Dixons City Academy a place where every culture is valued and celebrated.

Yours sincerely

Mr J Yale

Vice Principal – Personal Development
