

What to do.... Careers education, information, advice and guidance

Learning opportunities for students

At Dixons City Academy, our purpose is excellence. We focus on being the best version of ourselves to change our world for the better. We will consistently be in the top 1% of schools nationally.

Dixons City Academy is committed to ensuring that every student within our school community has the opportunity and support to achieve their full potential. Dixons City Academy is committed to providing every student with the knowledge, skills and understanding that will enable them to flourish in and out of the classroom so that every student is able to move onto university, or a real alternative and then choose the career they want, that that will help them to change our world for the better.
