

# Accessing the Outward Bound Trust Forms

- You will be sent a link from DCA via text message/email to complete the Outward Bound form.
- When you first click the link, it may direct you to a 'Mimecast' page.
- It will request an email address, and you must use your child's school email address XXXXX@dixonsca.com .

**mimecast**

Device enrollment

Mimecast requires you to enroll this device to access message links

Your IT department has enabled Targeted Threat Protection for all users. This is a service that protects you from email attacks and provides live security training.

Enter your email address and we'll send you an authentication code to verify your identity.

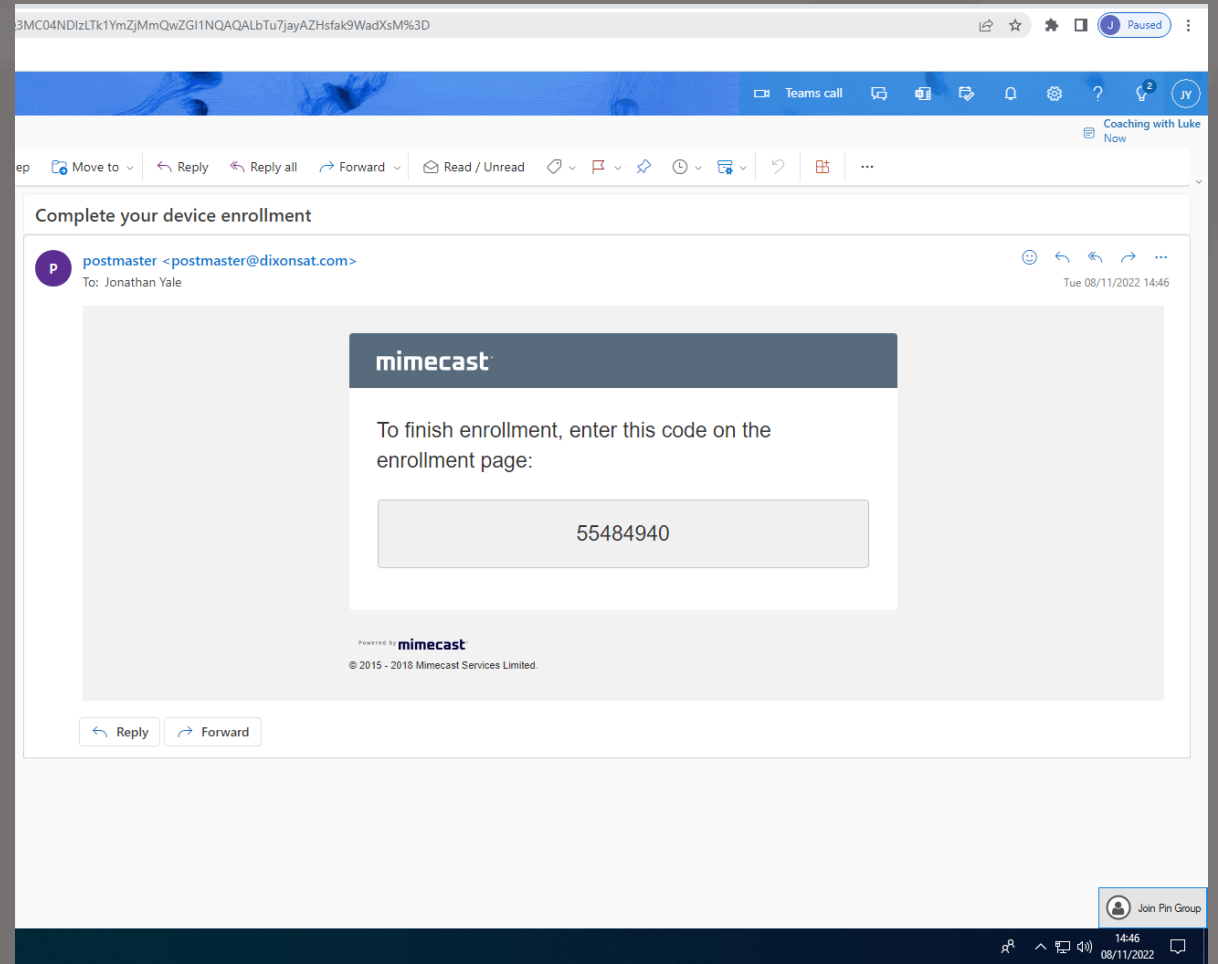

Email

Get Authentication Code

You'll only see this message again on new devices, or if you delete your cookies. If you have any questions, contact your IT department.

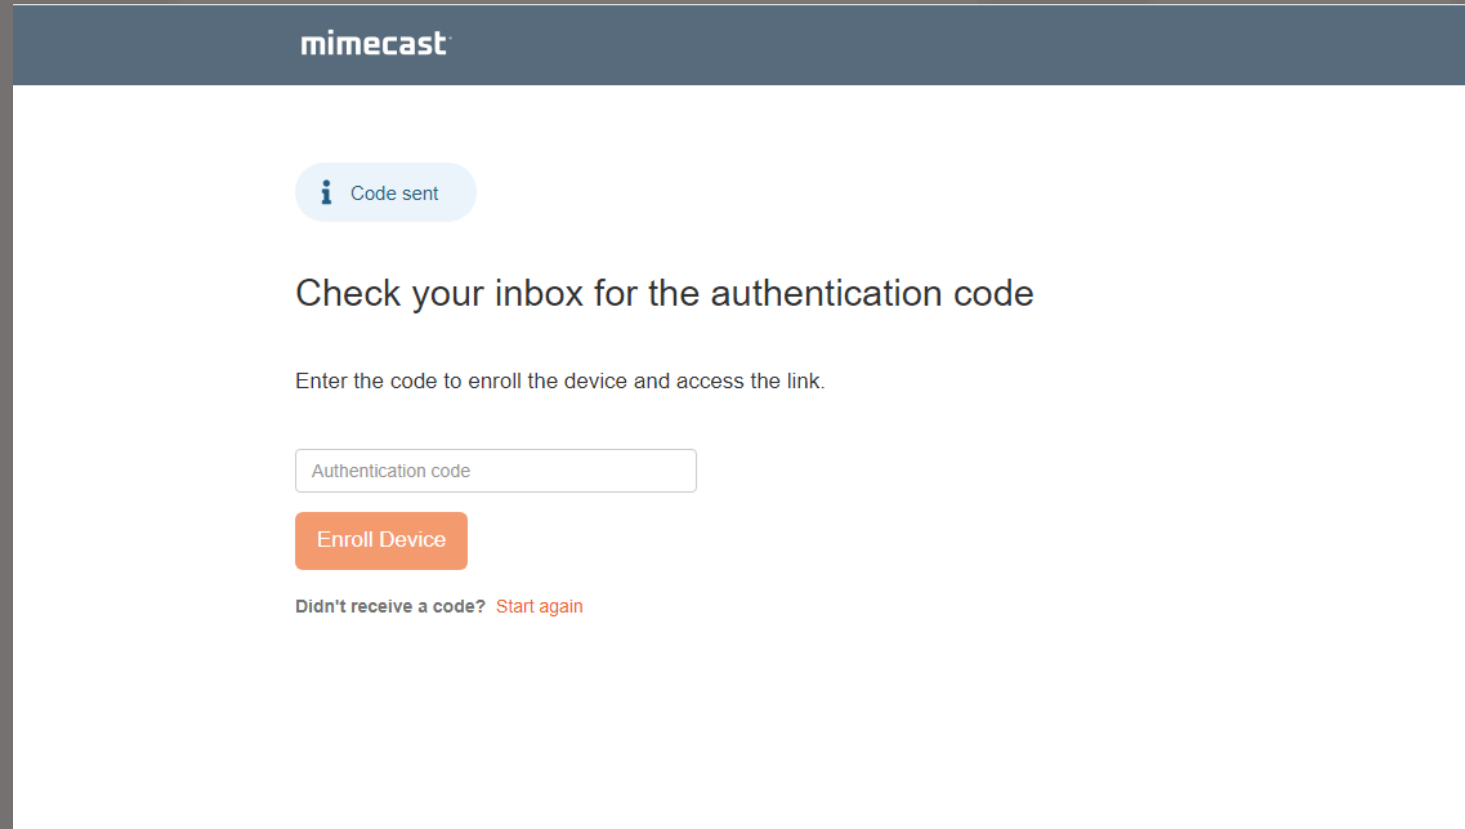

# Accessing the Outward Bound Trust Forms

- Your child will then have to log into their school email to find a code which Mimecast will send them.

# Accessing the Outward Bound Trust Forms

- Then go back to the Mimecast page and type in the code.

mimecast

**i** Code sent

Check your inbox for the authentication code

Enter the code to enroll the device and access the link.
