Dear families

Year 11 Revision Sessions – Update

There has been a recent letter confirming which sessions students have been invited for the Saturday revision sessions that are taking place in the lead up to the exams. On the letter that was **posted** home there was an error with the sessions listed for the 27 April and on the table below. Students received another letter yesterday, 23 April confirming the sessions they have been invited to, these are the correct sessions. However, the table was incorrect. The table below is the correct version. There have also been some additions to the May holiday revision programme. A letter will be sent next week to confirm which sessions they have been invited to.

If your child has not been invited to a session and they would like to attend, then please add this to the return slip on the letter handed out yesterday and they can be added to the list.

Apologies for the error. If you have any queries about revision sessions or the upcoming exams, please don't hesitate to contact me.

Yours faithfully

Mrs J Orton
 Senior Vice Principal (jorton@dixonsca.com)
