

## Homework Timetable 2022-2023 Year 10

Homework gives students the opportunity to consolidate and extend what they have learned in the Academy.

It helps students to:

- ▶ plan their time and develop confidence in learning.
- ▶ develop independent learning skills, to use now and in their future life.
- ▶ improve retention and recall of key facts in preparation for examinations.

The following is a guide of what homework will be given out when.
