

Homework Timetable 2025-2026 Year 7

Homework gives students the opportunity to consolidate and extend what they have learned in the Academy. It helps students to:

- ▶ plan your time and develop confidence in learning.
- ▶ develop independent learning skills, to use now and in your future life.
- ▶ improve retention and recall of key facts in preparation for examinations.

Aim to complete homework during the evening of the day it is set so that if you have any difficulties you have time to ask for help.
